

9 FOOT HALF RACK

The Ultra Pro Rack Series brings professional level strength, next level functionality and superior quality to your training facility. Its multiple capabilities allow for a more open floor plan, and 2" anchor points provide more efficient height adjustments. It features a U-shaped base to give more stand-alone support. Talk to a sales representative about all the capabilities and custom upright options available with the Ultra Pro Rack Series.

Features:

- 2-Inch Adjustable Anchor Point Increments
- Laser-Cut Numbering
