

400120  
**Titan G2** Series  
**DOUBLE POWER  
RACK DP**

This series rack combines the stand alone base option found in our Ultra Pro™ Series, with the benefits of the Titan series rig style uprights to create a hybrid stand alone Power Rack option to safely perform all your barbell workouts without worry. Double weight post with Titan storage pegs.

Increase the  
functionality of your  
rack with these and  
more Titan accessories  
& attachments.
