

# RACK MOUNT FUNCTIONAL TRAINER

The Dynamic Fitness & Strength functional trainer offers significant versatility and is a great solution when space is limited. It offers single limb capability independent movement as well as bilateral training. Easy raising and lowering arm actions allow for a variety of independent limb training. The pull-up bar provides additional training options as well as providing additional structural support. This rack-mounted version makes it even more space-friendly and is compatible with both our Titan G2 and Ultra Pro™ Series racks.

## Features:

- Pop Pin adjustments & Laser-Cut Numbering Systems (on applicable machines)
- UHMW Plastic Protects Wear Surfaces (On Applicable Machines)
- Independent Arm Action Provides Variety of Limb Training
- Barbell Storage
- Intensive Multi-Stage Pretreatment Process for Long-Lasting Powder-Coat Finish
