

Plate-Loaded Line BILATERAL LAT PULLDOWN

This Bilateral Lat Pulldown by Dynamic Fitness & Strength gives three mechanical advantages for vertical rowing--bilateral, alternating arm and isolated single-arm actions. The swiveling handles allow for perfect body position, especially for those with wrist or shoulder mobility issues. As always, American-made with the highest-quality American steel. Designed by Rae Crowther.

Features:

- Full Rotation Grips
- Converging Motion
- Adjustable Hold-Down Pad
- Custom Color Pad Options
- Intensive Multi-Stage Pretreatment Process for Long-Lasting Powder-Coat Finish
