

# POWER/HALF RACK COMBO DP

Optimize floor space by combining the open functionality of a half rack with the added safety of the caged Power Rack with the Dynamic Fitness & Strength Titan Series Combo DP rack. Featuring double-post storage, it offers all the function and capabilities of the Titan Series half rack and power rack, while maximizing your layout and increasing plate storage. All this functionality is delivered with Dynamic's American-made quality manufacturing and design.

Bumper plates and Barbells shown for display purposes only. Not included with unit.
