

# Rig Accessory QUICK CHANGE DIP STATION

Compatible with all Rig Series products, the quick-change dip station conveniently attaches or detaches from any rig frame at the user's preferred height. Dip stations are an effective way to offer a full-body workout while taking up minimal space. The heavy-duty steel design features Dynamic's super-adhering powder coat finish in 36 available colors or Pantone-matched to any color you'd like.

## Features:

- Heavy Duty Steel Construction
- Attached or Removed Quickly and Easily
- Intensive Multi-Stage Pretreatment Process for Long-Lasting Powder-Coat Finish

**PICK YOUR COLORS!**  
Textured or gloss powder coated finish  
**COLOR-MATCHING ALSO AVAILABLE.**
