

# Plate-Loaded Line LEG PRESS

The Dynamic Fitness & Strength Leg Press offers an excellent lower body accessory exercise with smooth operation. The wide foot plate allows for stance variation, which changes emphasis on muscle group activation. Single limb capability offers a variety of independent limb training. As always, this machine features the top-tier, American-made quality of Dynamic manufacturing and quality materials.

### Features:

- Large Wide Foot Plate
- Adjustable Back Board
- Plate Storage
- Custom Color Pad Options
- Intensive Multi-Stage Pretreatment Process for Long-Lasting Powder-Coat Finish

Bumper plates shown for display purposes only.
