

LADDER BENCH

The Dynamic Fitness & Strength ladder bench is our most popular bench. The extra heavy duty welded steel construction makes it a solid, stable lifting platform for any size athlete. It features seven height adjustments, easily changing from supine horizontal pressing to seated vertical pressing. Rolling base provides easy transport.

Features:

- Standard 10" Pad
- Adjustable Pad Angle (0 - 85 degrees)
- Seven Back Adjustment Settings
- Three Seat Adjustment Settings
- Protective Rubber Feet
- Rolling Base for Easy Transport
- Custom Color Pad Options
- Custom Printed Slip Cover Options Also Available
- Intensive Multi-Stage Pretreatment Process for Long-Lasting Powder-Coat Finish
